

I am Connie Dumas-Coleman, a member of Barnes United Women in Faith, and have served in leadership at the district, and conference levels. For over 50 years I have held leadership in my local church and served as Children and Youth Coordinator, Food Pantry Volunteer, and Scouting Ministry Coordinator.

I am a retired school teacher and volunteer in the community as a Girl Scout Leader. During my 81 years I have enjoyed being a daughter, a sister, a wife, a mother, and a grandma. I have enjoyed traveling with family.

My attitude is JOY!
