

I am Elizabeth Jayapalan from the Northern Illinois Conference. My serving with our organization has included District (Secretary, Treasurer, Nominations Chair, Communications, President), Conference (Communications, SPR, Mu Registrars & Assist Dean), and NCJ CON; 1-4 years depending on the need. I was not raised in the Methodist Church, but my grandparents were and I have now spent more than half my life as an active member in Northern Illinois; also serving as Lay Member to Annual Conference for many years, serving on local church committees and a few conference church committees. Over my years with our organization, I have come to learn, appreciate, share and mentor others about United Women in Faith.
